

Student Quick Guide: Creating a Profile

01

Step 1

Create a free profile by visiting us at students.myoptions.org or download the free myOptions app in the iOS store (android app coming soon!)

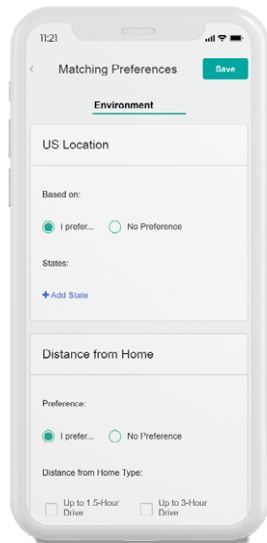

02

Step 2

Take 5 minutes to complete your profile, designate your high-school and set your preferences.

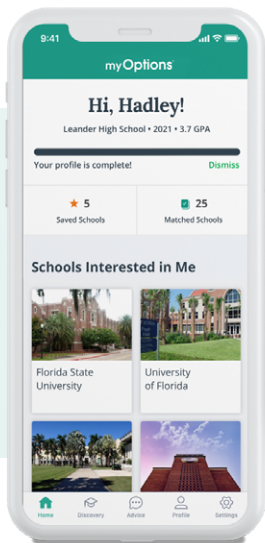

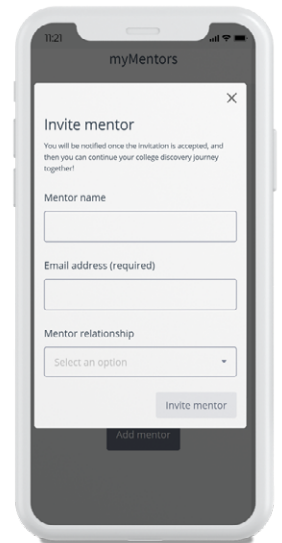

03

Step 3

Invite a parent, guardian or mentor to walk with you along the journey.

04

Step 4

Review your instant college and scholarship matches and favorite a couple of schools you'd like to apply to or are interested in.

05

Step 5

Connect with your school counselor to let them know you're in!

For more college planning advice, please visit [myOptions.org/advice](https://myoptions.org/advice) or download the myOptions app in the Apple App Store.
